

Dear Friend,

On July 1st 2013, One Run For Boston made running history by becoming the first ever non-stop relay to run across America from Los Angeles to Boston. Over 2000 runners helped complete the 3300 mile journey. They raised \$91,000 for the victims of the Boston Marathon bombings and an inspirational running community was born.

One Run For Boston was set up by three British runners who wanted to show their support for those impacted by the bombings. They had no idea if the relay would work, let alone take off in the extraordinary way that it did. One Run For Boston became a symbol of hope and positivity that inspired a powerful grassroots movement that continues to unite the running community.

In 2014 One Run For Boston returns to blaze an even brighter trail across America. The journey starts March 16, 2014 in Santa Monica with Stage 1. I am running Stage 124(17 miles) and stage 125 (5 miles) total 22 miles through Caprock Canyons State park and Trailways. The finale arrives in Boston on April 13, 2014—8 days before the Boston Marathon.

We'd love you to be part of it. I am writing to ask for your sponsorship to help raise funds for The One Fund. Massachusetts Governor Deval Patrick and Boston Mayor Menino announced the formation of The One Fund Boston on April 16, 2013, the purpose of which is to raise money to help those families most affected by the tragic events that unfolded during the 2013 Boston Marathon.

My desire is to honor the victims, encourage the survivors and support the families by running in this relay. To sponsor me, simply click on link below, then click on "sponsor me".
